RJS Fashion Styling Services

From personal wardrobe to photoshoots and brand building assistance

Thank you for choosing RJS fashion for your Styling needs! We hope you enjoy our services. Once you decide on your package, we will send you a short questionnaire, so we can be prepared for our styling/brand consultation as well as meet all your needs for your project. The rates **DO NOT** include the purchasing of clothing and other items needed for events and styling nor a photographer or makeup artist. RJS understands budgeting and believe in making sure that each of our clients get the look they desire at an affordable cost. We will NOT waste your money nor advise a lofty purchase! We require half of the fee due before the event to lock in the date allowing us to proceed with preparing for the occasion. **All packages require a \$25 deposit before full styling begins.** Day of cancellations and postponed photoshoots will result in a non-refundable fee of **\$35 on top of the non-refundable \$25.** Day of and day before cancellations of shopping trips that have been planned 3 weeks out will result in a non-refundable fee of **\$35 on top of the non-refundable \$25.**
