

## BLACK OWNED BUSINESSES MINI DIRECTORY

*brought to you brought to you by Rebecca S. Armstrong, of RJS Fashion*

Hey Family!

I created this black business directory for the RJS supporters/ subscribers that were interested in supporting black businesses, to be able to reference when traveling, shopping or looking for a service provider!

DISCLAIMER: We have compiled a list of some pretty cool brands that we have either worked with or heard good things about. The brands that we have personally worked with or purchased something from will have two asterisk signs (\*\*) next to them. This directory is totally opinion based and If you decide to work with or purchase from any of these brands, RJS Fashion is not involved in any interactions you choose to have with the brands listed in the directory.
